

Hello,

Through the generosity of GBT Realty Corporation employees and partners, we've been granted a donation to distribute to the residents of Kemah to aid in rebuilding from Hurricane Harvey damages. These funds have been specifically designated to assist residents of Kemah first and foremost.

In order to finalize the distribution process, we are asking affected families in the city of Kemah to fill out and submit an application for assistance. The application asks a few basic questions to determine Kemah residency and address of affected property. You may fill out the application online at www.kemah-tx.gov and submit it via email to: LFKemahHarveyHelp@gmail.com
